

LITTLE BEAVER CREEK GREENWAY TRAIL

The Little Beaver Creek Greenway Trail is the most southern leg of the Great Lake to River Trail that begins in Ashtabula County. When the 4 participating counties complete their sections, the trail will run from Lake Erie to the Ohio River.

It will also be part of the Pittsburgh to Ashtabula Corridor on a multi-state regional path system called the Industrial Heartland Trail.

The 12-mile Greenway is used by hundreds of cyclists, hikers and nature lovers each day. The first phase of the trail was completed in 2000. Since then, it has been expanded twice.

See the inside of this brochure for a complete map of the Trail.

HELLBENDER BLUFF

This park, located southeast of Lisbon, is named after the endangered Hellbender Salamander. The salamander grows up to two feet in length and loves fast flowing, pollution-free water. It is found in the Beaver Creek that runs through the park.

There are two parking lots for park visitors: the main lot is located at 14448 East Liverpool Road, Lisbon, while a smaller lot is located on the north side of the park on Lones Road.

Hellbender has 752 acres of public hunting grounds that have been reforested in recent years. The area abounds in deer, turkeys and rabbits. Public hunting laws apply.

A 3.5 mile-long trail loops through the park, going through fields, past the West Fork of the Little Beaver Creek, wooded areas, a pond, and the reforested area. The trail should be considered a strenuous walk.

There is also a pavilion and BMX Pump Track.

This is a great place for bird watchers, flower lovers, photographers and outdoorsmen.

SCENIC VISTA PARK

Located at 11523 Waynebridge Road just three miles to the southwest of Lisbon, Scenic Vista was the first park established by the Columbiana County Park District. The park encompasses 250 acres, and is a mix of woodlands and grasslands.

The park also features: two pavilions, a replica of the Sell covered bridge, three walking trails, a memorial garden, a wooden cabin, numerous picnicking areas, a horse trail, restroom and archery range.

During the summer, the park hosts yoga sessions, and stargazing parties sponsored by the Mahoning Valley Astronomical Society. Schedules are published online and in our annual information brochure.
